

Glastonbury Town Deal Board

Vision, Mission and Values

Vision: Glastonbury will be a sustainable, prosperous modern town and global tourist centre drawing on its rural landscape, history and unique legacy.

Our Mission: To work with all parts of our Glastonbury community to achieve our vision by:

- ❖ successfully accessing the Towns fund resources
- ❖ consulting with groups and individuals in Glastonbury to ensure that outcomes reflect the ideas, engagement, commitment and spirit and needs of the local community
- ❖ working with key stakeholders including government, to ensure that our proposals are meaningful and achievable
- ❖ recognising and valuing the historic, geographical, spiritual and unique history of the town

Our Values: The Towns Fund Board will collaborate effectively as a Board and model our values through:

- ❖ working together in service for the benefit of this unique and historic town
- ❖ being open, honest and transparent in all we do
- ❖ listening to all feedback and providing respectful responses
- ❖ being sympathetic to the needs of the community and other organisations, especially given the Covid situation, while ensuring the Board's strategic role and accountability
- ❖ committing to the 'green agenda' in the area
- ❖ offering innovation, inspiration and wisdom to the best of our ability
- ❖ ensuring robust discussion and effective delivery of projects
